WHEN YOU BECOME MENTALLY UNWELL

We have provided the space below for you to write what kind of support you would like if you become unwell whilst you are involved with R&B. The information you provide will help us better support you whilst you are with R&B. It is however optional whether you write any information below.

If you become unwell during your involvement with Root & Branch, would you like us to take any particular action (e.g. contact a specific person)?

What kind of intervention do you find helpful when you are feeling unwell e.g. do you like to be in a quiet space; do you like to keep busy?
