Root & Branch Membership

R&B is a membership organisation. Our members elect the trustees of the charity so they have a direct say in choosing the people who manage the charity day to day. Members meet with trustees at least once a year to review the overall strategy for the charity. In our experience it is very unlikely that the membership would meet more than twice a year.

Individuals over age 18 can apply to the trustees to become a member. Normally members would be expected to live locally and they would share our desire to provide a calm beneficial and active environment at Root & Branch. Above all, members must act in the interests of the charity as a whole.

Membership is subject to the ongoing approval of the trustees who reserve the right to accept or terminate any individual membership at any time.

Membership Application

Name:

Address:

Post Code:

Email:

I wish to apply to be a member of Root & Branch. I have read and understood the above statement and agree to act in the interests of the charity as a whole. If I have given an email address I agree to receive newsletters, updates and communications about the members' annual general meeting by email.

Root & Branch will only hold personal details to communicate with members about Root & Branch activities and will not pass them to other organisations for marketing purposes.
